// Highlight

Motion Detection and Notifications

Receive a notification whenever your camera detects movement and check it in detail through the Tapo app. Personalize your security by setting motion detection zones to only notify you of what happens in areas that you choose.

// Features

1080p High-Definition
Provides greater sharpness and clarity.

Night Vision
Provides a visual distance of up to 30 ft in total darkness.

Local Storage
Store up to 128 GB of video on a microSD card†.

Field of View
360 horizontal range and 114° vertical range.

Two-Way Audio
Communicate in real time through a built-in microphone and speaker.

Live View
Always keep an eye on what matters most to you—anytime, anywhere.

Privacy Mode
Temporarily shut down surveillance with a tap in the app.

Sharing
Share interesting and funny videos to everyone on social media.

Easy Setup
Follow in-app instructions to easily set up within minutes.
